

Wykham Park Academy Catch up funding plan

Wykham Park Academy has been allocated a total of £63300

| Item | Reason for item | Allocated funds | Intended impact | Impact |
|--|--|--|---|---|
| 64 chromebooks and licences and two trollies for these | To give more flexibility for students to access IT as students are in year group bubbles and the IT suites are no longer fit for purpose | 28127.64 | To provide much needed access to reliable technology in school | Gave out in second lockdown More students could access live lessons |
| 60 chromebooks | To loan to students who do not have access to technology at home | | To provide our most vulnerable students with access to Google Classroom and other online resources | Gave out in second lockdown More students could access live lessons |
| 10 chromebooks | To use in Internal Exclusion | | To create a better learning environment for those students who are out of learning due to disruptive behaviours They will then be able to log on to their Google Classrooms and do the lessons their peers are doing | Ended up giving out in second lockdown to families who still had no devices |
| 4 more chromebooks and another chromebook trolley | To make up number of chromebooks to give us 5 trollies - 1 for each year group whilst we are working in bubbles | 1817.40 | Access to digital platforms in school | Now being used across the campus for a range of activities |
| Headphones | To use in Internal Exclusion | 191.88 | To allow students in IE to access videos etc as their peers would be Ending up using them in key worker rooms to start with | Were used for key worker students and vulnerable students to access live lessons in second lockdown |
| Lexia for secondary schools | Lexia is a well-known and researched programme which is individualised for pupils to help support reading and vocabulary. It is like having 1-1 tuition. The program can be used at home so has lockdown value. It sends staff interventions if pupils are still struggling after being taught through the program. Dashwood are using the primary version | Signed up for a free trial before we commit to any spend £6934.50 | Improved reading scores Will be using from September 2021 | Still to use July 2021 |
